### SCHSL Fall Sports Plan Proposal

Last Wednesday, the South Carolina High School League released the Fall Sports Plan Proposal and noted that all fall sports will begin their official 1<sup>st</sup> day of practice tentatively on August 17. In response to this plan, schools have to rearrange their team schedules, which have been in place since the previous school year. Please note that the 20-21 SCHSL Sports Plan Proposal is subject to change due to the appeal by Lexington School District One and any updates on the impact of Covid-19.

We are continuing with the Phase 1 model, which prohibits more than 10 athletes/coaches to a group. We will continue to monitor and ensure that the safety and well-being of our student-athletes, coaches, and community is the core of our focus as we navigate this complex and constantly evolving situation.

Cherokee County School District will continue to be extremely diligent in maintaining a healthy environment for our student-athletes, coaches and staff. In the coming days, we will know more about the following:

- Fans at games, and changes if necessary
- If fans attend, how tickets will be purchased

We ask that you continue to be patient as we receive information from the State Department of Education, SCHSL and the district.

Respectfully,

Terrence Scriven  
Director of Athletics
